

**BRIDGES FOR PEACE
EYES OF THE LORD
CONFERENCE**

In Jerusalem
November 8-13, 2009

**"It is a land
the Lord your God cares for;
the eyes of the Lord your God are continually on it
from the beginning of the year to its end."** Deut. 11:12 NIV

ALL EYES ARE ON ISRAEL. You can pick up a newspaper anywhere in the world and find headlines about Israel. As one of the world's smallest countries, with only 1/1000th of the world's population, it makes one ask "Why?" As Bible-believing Christians, we have the answer! We understand that Israel is the center of God's plan for the world. Israel is still the apple of God's eye. His promises to Israel are being fulfilled today. The eyes of the Lord are on Israel. If you want to understand the importance of Israel to the Lord in these significant times, then you will want to come to Jerusalem for the Eyes of the Lord Conference.

- Understand Israel in the light of Bible prophecy
- Feel Israel's heartbeat as you explore current issues in Israeli society
- Understand the threats to Israel's existence
- Recognize how Israel blesses the world (Gen.12:3)
- Pray for Israel on location
- Hear from Israeli leaders
- Visit an army base
- Dialogue with Jewish religious leaders
- See how Christians are making a difference

Come and See! Come and show that you care! This is one conference you will not want to miss, as we correlate the reality of today with the reality of the Bible. If you love God and Israel, join like-minded believers at this conference.
