"STANDING WITH ISRAEL" TOUR 28 OCTOBER - 15 NOVEMBER 2010

PRE-TOUR POLAND OPTION 23-28 OCTOBER 2010

We understand that Israel is the centre of God's plan for the world. Israel is still the apple of God's eye. His promises to Israel are being fulfilled today. The eyes of the Lord are on Israel (Deuteronomy 11:12).

Expressions of interest are now invited for our 2010 tour, which offers a wonderful opportunity to combine a number of aspects that are usually absent from tours to Israel.

You are encouraged to contact us and we will send you many interesting and inspiring testimonies and photos from our 2008 tour to Poland and Israel and 2009 tour to Israel. These can also be accessed by going to our Australian Bridges for Peace website and clicking on the relevant links.

As usual, our Israel tour will combine the inspirational with the practical, and the educational with the recreational.

Tour costs will be available shortly, but we do not anticipate much increase at all on last year's price. The draft itinerary is subject to some change in the months ahead, and an up-to-date itinerary will be posted as needed on our website and included in our regular publications.

Please let us know as soon as possible if you are in any way interested in the pre-tour Poland option, as well as the main Israel tour
